Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/102/24/PL

Site Address: Longacre The Street Walberton BN18 0PY

Description of works: Erection of 6 No. dwellings with car ports and car parking along with a new ecology and open space area with use of existing access onto The Street. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the character and appearance of the Walberton Green conservation area, is in CIL Zones 2 and 3 and is CIL liable for new dwellings.

Thank you for your internet representation made on 27th January 2025 which has been recorded as an objection with the comments as follows:

OWPC73812

Walberton cannot support any further building at all. There is insufficient infrastructure in place - there is no longer a doctors surgery in the village. This development will cause more traffic on The Street, which is already too busy for a village, increasing danger, for both school children and elderly people. The drainage system is old and due to all the recent new houses built flooding on The Street has become a regular occurrence during frequent heavy rain. ADC must not allow this development to go ahead.

Your views as made above will be considered before the application is determined.
