Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/102/24/PL
Site Address: Longacre The Street Walberton BN18 0PY
Description of works: Erection of 6 No. dwellings with car ports and car parking along with a new ecology and open space area with use of existing access onto The Street. This application is a Departure from the Development Plan, may affect the setting of listed buildings, may affect the character and appearance of the Walberton Green conservation area, is in CIL Zones 2 and 3 and is CIL liable for new dwellings.

Thank you for your internet representation made on 29th January 2025 which has been recorded as an objection with the comments as follows:

OWPC73877

I OBJECT because:

Southern Water's sewerage network is demonstrably unable to handle the sewage generated from EXISTING properties in Walberton.

Arun District Council is already aware that foul water frequently floods Barnham Lane at Choller Cottages. Any new house building in Walberton will exacerbate the health risk to local residents and road users.

And West Sussex County Council is aware that poor management of surface water drainage results in frequent flooding along Barnham Lane. Any new house building in Walberton will exacerbate this problem.

Your views as made above will be considered before the application is determined.
