FAO: Nicola Moore, Arun District Council

Reference: WA/103/21/CLP

Following the letter received this afternoon from Neil Crowther, I have made the following amendments to my application and resubmitted:

- Drawing No 020 is now correctly labelled as existing ground floor
- Drawings No 010 and 011 have been edited so that they say roof plan and not location plan

Many thanks for bringing these to my attention.

Yours sincerely,

Sarah Burr
