Ignore me Nicky, looks like I've been able to save it with the amendments after all without needing to pay again. Thanks!

I'm so grateful to you Nicky. That's really kind. I started amending it on the planning portal. Shall I just close that and not worry about the payment part then?

Hi Sarah

As the amendments are attached, there is no need to submit them via the Planning Portal. I will upload them to the application and confirm validation.

Kind Regards

Nicky
