Hi Maria,

As per our call, I will withdraw the application for permitted development, reference number WA/103/21/CLP for our property Chilterns, West Walberton Lane, Arundel BN18 0QS. As you explained, one of the drawings shows a new raised patio. We didn't intend building that patio but as you explained, its size and height takes it beyond permitted development.

Since submitting the application, we can't afford to do a two-storey extension now so will only be doing a ground floor extension. We will go ahead with this and apply for a retrospective lawful development certificate. I will resubmit plans not including any drawings of this raised patio, as we're not building that.

Thanks again for letting me know this. Have a great Christmas when you get there.

Best wishes,

Sarah Burr
