Dear Sirs,

**Planning Application – WA/104/19/HH
Southover, Avisford Park Road, Walberton**

Thank you for your letter of 18 November regarding the above; I confirm acceptance of the amended description.

Please find attached an amended version of our site and location plan 0052/SL-30A with dimensions to the boundaries.

I confirm the existing house is connected to mains drainage, believed since 1974.

The opportunity has been taken to review and an additional half metre has been added to the depth of the rear single storey extension, increasing it to 3.5m. Please therefore find herewith further amended drawings:

0052/SK-10B Proposed Ground Floor
0052/SK-11B Proposed First Floor
0052/SK-15B Proposed East/West Elevations
0052/SK-16A Proposed Sections

The North/South Elevations remain unchanged.

Regarding the above, please contact the writer or Christopher Manhire.

Yours faithfully
