On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact **Mr S Davis**, the case officer who is dealing with your application.

You can follow how your application is progressing on the Council's website:

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 13th January 2026. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

There is no right of appeal on this type of application.

This acknowledgement only relates to this application and not to any other types of planning application or other kinds of applications you have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website <https://www.planningportal.co.uk> or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: <https://www.arun.gov.uk/buildingcontrol>

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely
