Dear Anita,

With regard to Condition 8, please could the applicant amend the CEMP:

- To detail specifically where the sensitive receptors are that are referred to in several places in the CEMP.
- To add hours of work – we would normally expect 8am – 6pm Monday to Friday, 8am – 1pm Saturday and not at all on Sundays or Public Holidays.

I have cc'd Chris on this email as he will be responding on Condition 9 (Contaminated Land).

Regards

Fiona
