Good Morning John

As discussed on the phone, please can you confirm which Conditions you would like removed from this application. I can then confirm what is still required.

Good Morning John

Further to our conversation yesterday, I have spoken to Ray as discussed.

With regards to the Condition 19 (g), you should provide information on how you have engaged with the local community before and during construction. This could be by contacting the Parish Council, letters, posters etc advising the date of when the construction will start and finish, details of the development, contact details of the Site Manager in case of queries, contacting adjoining properties to inform them.

I hope this clarifies the Condition, however, please do not hesitate to contact me if you have further queries.

Kind Regards

Nicky
