Notification regarding the above application:

Condition Number 11

(a) Prior to the commencement of development or other operations being undertaken on site a scheme for the protection of the retained trees produced in accordance with BS5837:2012 (Trees in relation to design, demolition and construction: Recommendations), which provides for the retention and protection of trees, shrubs and hedges to be retained on or adjacent to the site, including trees which are the subject of a Tree Preservation Order currently in force, shall be submitted to and approved in writing by the local planning authority. No development or other operations shall take place except in complete accordance with the approved protection scheme;

(b) No operations shall be undertaken on site in connection with the development hereby approved (including any tree felling, tree pruning, demolition works, soil moving, temporary access construction and/or widening or any operations involving the use of motorised vehicles or construction machinery) until the protection works required by the approved protection scheme are in place;

(c) No excavations for services, storage of materials or machinery, parking of vehicles, deposit or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within any area designated as being fenced off or otherwise protected in the approved protection scheme;

(d) Protective fencing shall be retained intact for the full duration of the development hereby approved and shall not be removed or repositioned without the prior written approval of the local planning

authority.

Decision:

Arun District Council have decided to **APPROVE IN PART details reserved by condition**

This condition is discharged in so far as it relates to the light industrial part of the development and to the Arboricultural Report, prepared by Jonathan Rodwell, dated September 2020.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely
