Dear Chris,

I'm writing to inform you that we have now had an initial set of comments back from our Drainage Engineers in respect of the above application – Phase 2 SuDs. I direct you to the online portal for the application to view these comments. I would be grateful if any further information/amended plans could be submitted by the 19 March at the latest. Failure to respond to the Engineer's request for further information by the required date may result in refusal of the application.

Kind regards,

Kathryn Welch
