Dear Mr Short,

Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application for Planning Permission

Development: Erection of a re-purposed building for use as Class E (g) (iii) floor space, access, parking, drainage and landscaping. This application is a Departure from the Development Plan and is in CIL Zone 3 (Zero Rated) as other development.

Location: Stoneybrook Farm Eastergate Lane Walberton BN18 0BA

Thank you for your recent application which I received on 19th December 2024. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

The floor plans for the building do not scale with the block plan. The legend on the floor plan and elevations is at a scale of 1:200 while the scale bar is at 1:100. Please clarify.

Please provide the BNG metric as a pdf.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of

reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **3rd January 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
