Amber, please find the applicant's Engineer's response to the further comments from the Councils drainage Officer. Please reconsult but can we have a realistic further response time having waited 3 months for his comments last time round?

Kind regards,

Dear Mr Short,

WA/108/24/PL at Stoneybrook.

I have received additional comments from drainage which I attach above. They do maintain their objection.

The majority have been satisfied and could be dealt with via a condition however there are 4 sections on the tracker that require additional information.

Please are you able to address these points so I can re-consult.

Kind Regards

Amber Willard MRTPI
