This Message originated outside your organization.

Hi Sian

Thank you for your e-mail.
I am happy for you to proceed with the dimensions you have shown here.

Best Regards

Claire Townsend

Dear Claire

Thank you for your email, however it is a local requirement that dimensions are included on the block plan and we cannot accept an application without these. However I can add these for you. The planners are aware that the programs are not always a completely accurate representation of boundaries but just a guide. If you agree with the dimensions below I can add these to the drawings and get the application uploaded for you.

Kindest regards

Sian
