Dear Mrs Lawrence,

I hope this email finds you well.

Please find attached the consultation comments from the ADC Environmental Health Officer for the application at Sussex Business Village (ref WA/109/24/OUT). The EHO has raised no objection to the works, but has requested

some pre-commencement conditions. In anticipation of a positive outcome at this stage (we have not yet identified anything of significant concern at present), it is required that all pre-commencement conditions are agreed in writing prior to determination.

Please could we therefore ask you review the EHO's comments, and confirm you are happy to agree to the pre-commencement conditions.

Kind regards
