Dear Mr Roberts,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: Erection of two storey front and rear extension with first floor rear balcony following demolition of existing rear conservatory.
Location: Highdown West Walberton Lane Walberton BN18 0QS

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following matters are resolved:-

Form

Please confirm in writing your acceptance of the amended description.

Erection of two storey front and rear extension with first floor rear balcony following demolition of existing rear conservatory.

Block Plan

You are required to have dimensions from the proposed extension(s) to all site boundaries. Please amend.

Lidsey Foul Water - Environmental Assessment Statement

The site for this planning application lies within the Lidsey Foul Water Treatment Catchment Area, please confirm whether your scheme is going to involve works which would require connection to foul drainage and whether you will be connecting to the existing public mains drainage system. If you are not and you will be connecting into a septic tank, cesspool or other means of private independent facility, you will need to submit an environmental assessment. Further details of what should be included in the statement can be found in the Validation Requirements List.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **21st December 2021**. If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
