Dear Mr Easton

Applicant: Dandara Ltd.
Site: Land east of Fontwell Avenue, Fontwell
Proposal: Information in relation to proposed materials (revision following approval under Y/99/20/DOC)

Please find enclosed a completed electronic application seeking the approval of details reserved by Condition 6 attached to the decision notice for WA/22/15/OUT. The discharge of condition application seek agreement to revisions to 3 of the brick types approved by letter dated 6 May 2021.

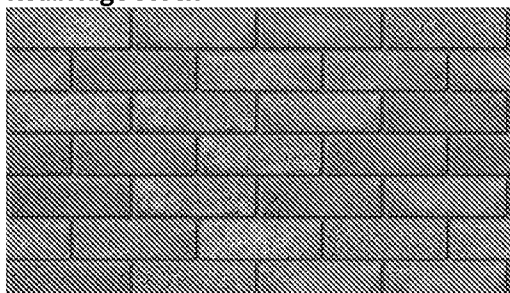

The amendments sought are as follows:

Approved
Maplehurst
Warnham Red
New Red Multi

Proposed
Redbridge Stock
Filton Red
Woodspring

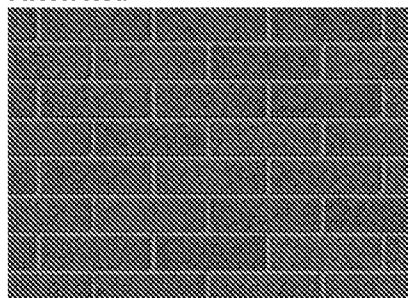

An image of the proposed brick are included below and specification is enclosed with this letter.

Woodspring

It should be noted that the proposed material changes sought are as a result of supply issues with those approved, which I am sure the Council will be aware of in general. We therefore hope that the proposed material change, which maintain a similar appearance and quality to that approved can be considered favorably.

The new alternatives have a much improved carbon impact when produced to that of approved materials, which is considered to be a positive outcome from the proposed change in bricks.

I hope that the submission is in order and I will look forward to receiving confirmation that the application is valid, however, should you require any further information; please do contact me on the number above.

Kind regards.

Yours sincerely
