Hi. Charlotte.

No problem. My client just wants to know that it's permitted as there is work to finish off. No hurry for writing it up.
Regards

Pete

Dear Mr Robinson,

Thank you for the amended drawing.

Unfortunately, there has been a delay in issuing the decision for this application. Could I therefore please request an extension of time until Wednesday 13th March, the application is written but unfortunately my Team Leader is not in the office today and therefore unable to sign the application off.

I await your response,

Many thanks

Charlotte

Dear Mr Robinson,

I am the case officer on the application at WA/113/18/HH at 9 Orchard Way.

I am writing to request an amended block plan. I believe the existing block plan shows the rear extension to a depth of 4m whereas the application appears to reduce the depth to 3m. I believe this block plan was the same one used on the previous application however the rear extension appears to have been reduced since then and therefore needs to be amended.

Please may you also mark on the additional Velux to the eastern elevation.

I note there is a Velux window for escapement to the eastern elevation. On assessment I believe due to its siting this could lead to adverse overlooking to the rear garden of the neighbouring property to the east. A condition will therefore be included which would fix shut the window below 1.7m.

Thank-you

Charlotte Easton
