Morning harry thanks for the email today. Nope haven't heard anything back from mark yet so yes I'd like to go ahead with the lesser works for now and maybe re apply when I've been able to talk to him.

Hope that's ok?

Many thanks

Toby

Hi Toby,

Just wanted to check in to see if Mark had got back to you at all regarding WA/115/21/T. Has there been any developments regarding his comments? If so please let me know as soon as possible today so that I may get it updated and processed. If not, the application is due to expire **tomorrow (07/02/22)** and I will have to push the decision through **today** so it can be reviewed with ample time. The decision will be a refusal unless you wish to agree for the lesser works he proposed.

If you wish to agree to his proposed lesser works they are as described:
"Crown lift (removal/reduction of low branches) to achieve a maximum of 4 metres overhead clearance on all aspects and only where pruning wound size does not exceed 75mm diameter".

Could you please respond as soon as possible with explicit confirmation of approval for these changes if agreeable.

Kind regards,
Harry
