Dear Michael,

With respect to Condition 6 (Construction Management Plan), Environmental Health would make the following comments:

- Paragraph 3.3 – should this not read “without prior agreement from ADC” (not WSCC)?
- Paragraph 4.2 – “it is anticipated” – anticipated or will actually happen?
- Paragraph 4.38
 - A) Please specify what “appropriate hand-held equipment” is in relation to noise levels.
 - B) “should non-compliance be identified”. Please specify what the non-compliance is expected to be related to i.e. non-compliance with what?
- Paragraph 4.39, bullet point 5 – please add ADC along to WSCC

In relation to the wording of condition 6, I cannot find information on either wheel washing (although damping down is mentioned) or floodlighting. Please advise where these points are covered.

Regards

Fiona Fitzgerald
