Dear Michael

Thank you for sending the CMP for the above site. I can confirm that Environmental Health are satisfied that condition 6 and 14 can be discharged based on the information contained within Report Ref No 183240-06C / April 2019.

Kind regards

Anna Appleton

Hi Michael,

Please find attached the amended report as requested. It is revision C as whilst the report text remains the same as the document provided recently, it was not previously given a later revision reference.

Kind regards,

Hi Laura,

Please could you also amend the date on the front page of the revised Construction Management Plan to read: "APRIL 2019".

Kind regards,

Michael

Hi Michael,

Please find attached the updated CEMP which includes the amendments made to the report in February in response to the EHO comments as well as updating the phasing plan to include the footpaths and links now approved. The report covers conditions 6 and 14 under WA/116/18. I will send over revisions on the other applications under separate cover.

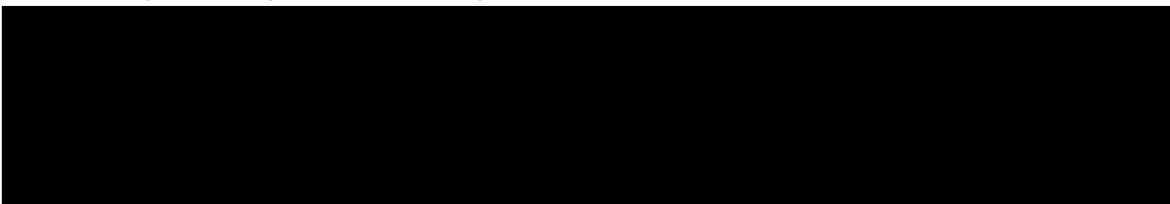

Kind regards,

Laura Humphries
