Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 22nd January 2022 which has been recorded as an objection with the comments as follows:

OWPC43634

Inadequate infrastructure (schools, roads, dr surgeries, etc.)to support the proposal.
Huge upheaval and uncertainty in light of the planned a27. Already affecting the mental health and well-being of villagers. Why add more uncertainty and anxiety.
Existing infrastructure will not support the vehicular access to the proposed site. Any increase in traffic through the village likely threatens the safety of school children on roads already poorly provisioned for pedestrians. There are multiple pinch points unsuitable for HGV.
A departure from the development plan. Why have it if applications that are not congruent with it are passed.

Your views as made above will be considered before the application is determined.
