Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 22nd January 2022 which has been recorded as an objection with the comments as follows:

OWPC43636

1. The A27 bypass grey route now proposed, and which is out for public consultation from January 8th 2022, will cause all traffic from this proposed site to be routed South through the village of Walberton. The roads in Walberton are of inadequate size especially for HGV vehicles where there is already a weight limit of 7.5tons. This will result in congestion and without doubt air pollution which is harmful particularly to children.

The width of Tye Lane in places increases the risk of accidents as there is insufficient room for vehicles to pass. There is currently no footpath along the majority of the road, save a small 10m section at the junction with The Street.

2. The proposed houses will be close to the proposed A27 bypass causing a noise nuisance and more importantly, an unacceptable level of air pollution.

3. This proposal is in conflict with The Walberton Neighbourhood Development Plan which was made on 14th July 2021. This site is not part of the final plan and so remains in conflict with it. The Plan provides for a number of dwellings in excess of that required by Arun District Council for the period to 2031.

Your views as made above will be considered before the application is determined.
