Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 2nd February 2022 which has been recorded as an objection with the comments as follows:

OWPC43994

The proposed development will add substantial additional traffic, which would feed into The Street and surrounding overburdened roads. Tye lane itself is too narrow to support two way traffic, pedestrians and cycles etc. There is further ambiguity in relation to the closure of the northern Tye lane / A27 junction which would then force all traffic into the village. A Tye lane access to the Avisford site has already been rejected. The development is not part of the Walberton neighbourhood plan and would place even more pressure on local infrastructure and public services.

Your views as made above will be considered before the application is determined.
