Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 2nd February 2022 which has been recorded as an objection with the comments as follows:

OWPC43999

This application is without merit for all or most of the reasons mooted for the previous application, which is currently being appealed. It is outside the development envelope of the village, is unsympathetically designed in relation to the rest of the village, opens onto Tye lane, a road too narrow for heavy traffic and will substantially increase traffic through narrow village streets, and also Fontwell roundabout which is already overburdened. It is to the detriment of the conservation area, is not part of the allocation of new housing laid out in the village plan and the application has been sloppily put together, riddled with errors to the point of being incomprehensible. I am at a loss to know why ADC planning is being forced to go to the work to consider an application which is essentially a duplicate of one already being appealed.

Your views as made above will be considered before the application is determined.
