Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 4th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44046

As stated in the Description of Works, this Application affects the character & appearance of the Walberton Village Conservation Area and is a departure from the Development Plan. The Application is merely a slightly watered-down version of the previous Application WA/68/20/OUT. All the objections that applied to the previous Application, apply equally to this Application.

The Application is in conflict with the Walberton Neighbourhood Plan & there isn't the infrastructure in terms of roads, NHS and education etc to support such a development. The proposal would place an unacceptable level of traffic on Tye Lane and The Street and would therefore have a major adverse impact on the well-being of Walberton residents. I therefore trust that this Application will not be supported.

Your views as made above will be considered before the application is determined.
