Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 7th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44122

We have already objected to WA/68/20/OUT on this site which ADC has refused and the developer appealed. The site is neither approved in HELAA nor in the Walberton Neighbourhood plan. It is good agricultural greenfield land outside the built up area and development will create considerable traffic which as ADC has now twice accepted neither Tye Lane nor The Street is incapable of accepting. This was acknowledged by ADC in refusing the earlier application and the recent application for access to Tupper's Field on the east side of Tye Lane. Tye Lane will be closed going north if the Grey route for the A27 is accepted and all the traffic from the site would have to pass through the Conservation area and The Street. Walberton through its NP and existing development has accepted a fair share of development. This is a bad application and like the previous one should be refused.

Your views as made above will be considered before the application is determined.
