Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 8th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44135

1. Tye Lane as an access point to developments (most recently referred to in WA/63/21/PL).
The northbound section of Tye Lane which will potentially be closed by the proposed National Highways A27 Grey Route. With all traffic being forced to travel through the village itself. This has detrimental effects on the Conservation Area. Arun Local Plan (ALP) Policy HER DM3 and the Walberton Plan Policy VE4.
2. The Fontwell West roundabout is, according to National Highways, will be over capacity, any extra traffic will have a severe adverse effect. This will be in conflict with ALP Policy T SP1 and Walberton Neighbourhood Plan Policy
Taking into account the 400 home Fontwell Meadows development, in excess of 3,000 homes in Barnham and Eastergate and more from the Yapton area.
3. The entrance to the development will detract from the rural character of the area and will conflict with Walberton Plan policies HP13 and ALP Policy D DM1.
It is also outside the built-up area boundary contrary to Walberton NDP policy HP1; ALP Policy SD SP2 states that, "Development should be focused within the Built Up Area Boundaries"
4. The site is located in a Mineral Safeguarding Area and does not comply with Policy M9 of the Joint West Sussex Minerals Local Plan.

5. The site interferes with one of the protected views from The Street north towards the South Downs National Park, contrary to WNP Policy VE13 2020.

Along with those issues that I raised in my previous objection in WA/63/21/PL, I strongly object to this latest planning application

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
