Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 8th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44138

I object to the application due to the lack of access to the development, Tye Lane is the only access point, if the Arundel By-pass grey route proceeds any traffic will only be able to access the proposed site via The Street. Another area of concern is drainage, the field becomes sodden during heavy rain and run off water pours into The Street. I am also concerned about the infrastructure of the the village to be able support extra vehicular movements (minimum of 262 per weekday), the ability of the sewers and storm drains to cope with the extra usage, the local school and doctors' surgeries are already working at near capacity. Permission for the original application for 155 dwellings was refused and is now under appeal is the reduction of 24 dwellings going to make a significant difference to the pressure on our local roads and facilities.

Your views as made above will be considered before the application is determined.
