Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT

Site Address: Land west of Tye Lane Walberton

Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44261

* This site is not part of the made Neighbourhood Plan and is outside the built-up area boundary in conflict with Walberton Policy HP1 and ADC Policy SD SP2.

* The Fontwell roundabouts are already over capacity (according to National Highways) so this number of dwellings will have a severe adverse effect (with reference to Walberton Policy GA5 and ADC policy T SP1). I note that the A27 route is still potentially going to make this access even worse with the closure of Tye Lane northbound, forcing all traffic through a conservation area (Arun Policy HER DM3 and Walberton's VE4 apply here).

* The design is not in keeping with that of the village and conservation area that it is close to.

Your views as made above will be considered before the application is determined.
