Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 10th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44266

- The planning application is not in accordance with Walberton's Neighbourhood Development Plan agreed in July 2021 and is outside the built-up boundary of the village.

The proposed houses will increase the population of the village by an unreasonable amount given the current infrastructure existing in the village with it's narrow streets and poor road maintenance. The size of development proposed would add substantially to the existing traffic problems.

Covering more of the surrounding countryside with buildings will only add to the already problematic sewage and flooding problems.

Disturbance of wildlife in the area is another concern: birds, bats, dormice as well as amphibians such as slow-worms and newts and precious insects such as glow-worms. I strongly oppose this proposed development.

Your views as made above will be considered before the application is determined.
