Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 17th February 2022 which has been recorded as an objection with the comments as follows:

OWPC44475

This is a rural area, which already has considerable strain on it from the local traffic. This proposal will generate a significant amount of traffic, which will then run through the village centre, which is already difficult to pass at times.

The site is not part of the neighbourhood plan, in which more than the allocated number of dwellings has now been proposed. This is a village of character with a number of listed buildings as well as a local school.

The site interferes with one of the protected views from The Street north towards the South Downs National Park, contrary to WNP Policy VE13 2020.

The design and access statement provided is poorly written and riddled with errors, leading to some sections being incomprehensible. For example, it states (page 9) that one of the key amendments is "A reduction of dwelling numbers from up to 155 down to 13 dwellings." A consultation process requires sufficient correct information to be valid and a seemingly thrown together document does not fulfil this brief.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
