Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: WA/127/21/OUT
Site Address: Land west of Tye Lane Walberton
Description of works: Outline planning application with all matters reserved, other than means of access, for the construction of up to 131 No dwellings (30% affordable homes) and amendment to boundary of garden land to serve adjoining property (resubmission following WA/68/20/OUT). This application affects the character & appearance of the Walberton Village Conservation Area & is a Departure from the Development Plan.

Thank you for your internet representation made on 3rd March 2022 which has been recorded as an objection with the comments as follows:

OWPC44868

The site is not part of the recently made Walberton Neighbourhood Plan (WNP) which allocates in excess of the required number of dwellings for the current Plan period.

- The site is outside the built-up area boundary, in conflict with Arun Local Plan (ALP) Policy SD SP2 and WNP policy HP1.
- The extension further south encroaches on the gap between settlements, contrary to ALP Policy SD SP3
- The site entrance may lead to the loss of a length of flint wall along Yapton Lane, to the detriment of the rural character of the road and the approach to the Conservation Area, contrary to WNP Policy VE12 2020 - Flint walls. It will also lead to the loss of an area of woodland with many mature and varied trees.
- The development will have a harmful impact on the setting of the Conservation Area, in conflict with WNP Policy VE4.
- Traffic modelling would appear to underestimate the number of vehicle trips generated by a development of this size, given the lack of local employment opportunities and limited bus service. Main shopping trips still require travel outside the village

Your views as made above will be considered before the application is determined.
