Subject: Walberton Pre-School

Dear Mrs Leeson,

Re application for a new Pre-school in Walberton - Application No; WA/12/11.

We write to confirm that our clients have instructed us to withdraw the current application. For your information we will be resubmitting a revised application for the "Phase 1" development only. This will also feature a Sedum roof, further enhancing the sustainability of the proposals & will minimise the amount of secure fencing & soften it with hedge planting.

Grateful for your confirmation of the above & also that a further planning fee will not be required for the revised planning application.

Kind regards,

David Seaman.
