Thank you for your recent application which I received on 25th February 2020. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Location Plan

The submitted Location Plan has Elms Close, however our records have this as Deans Close. Please amend accordingly and re submit.

Lidsey Foul Water - Environmental Assessment Statement

The site for this planning application lies within the Lidsey Foul Water Treatment Catchment Area, please confirm whether your scheme is going to involve works which would require connection to foul drainage and whether you will be connecting to the existing public mains drainage system. If you are not and you will be connecting into a septic tank, cesspool or other means of private independent facility, you will need to submit an environmental assessment. Further details of what should be included in the statement can be found in the Validation Requirements List.

CIL Additional Information Form

This application may be CIL liable, please complete and return the Form1 CIL Additional Information. The form and further information about CIL can be found on the website: www.arun.gov.uk/cil

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **18th March 2020** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
