Dear Mrs Gardner,

Planning Application WA/17/15/HH
Cissbury, The Street, Walberton
attached garage to front of property

The Parish Council has carefully considered this application and wishes to register an objection.

The Council is of the opinion that this development will have an adverse effect on the adjoining Conservation Area and the neighbouring property which is listed as a building or structure of character and is in the Conservation Area. (Policy GEN22 of the current Local Plan and HER SP1 of the emerging Local Plan refer).

Clerk to the Council
