Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/17/25/PL
Site Address: Land to the North of Lake Lane Barnham PO22 0AJ
Description of works: Demolition of stable block and erection of 7 No dwelling houses comprising 2 No three-bedroom detached bungalows & 5 No four- bedroom two storey detached houses together with associated car parking and landscaping (resubmission following WA/20/24/PL). This application is a Departure from the Development Plan, falls partly in both Barnham and Walberton parishes and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 17th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75783

My objections remain the same as last time I submitted which in summary is that the access and local infrastructure is not only inadequate but destined to be so until substantial upgrading of Lake lane to make it less prone to subsidence, if this is even possible, which I doubt. I think we are destined to have an uneven road which will occasionally collapse.

Furthermore I would remind you of the case of Grampian Regional Council v City of Aberdeen District Council (1984) 47 P&CR 633. Until such time as the area is 'safe', then giving permission to this developer will be unwise/unlawful until such time as the infrastructure will support it.

Your views as made above will be considered before the application is determined.
