Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/17/25/PL
Site Address: Land to the North of Lake Lane Barnham PO22 0AJ
Description of works: Demolition of stable block and erection of 7 No dwelling houses comprising 2 No three-bedroom detached bungalows & 5 No four- bedroom two storey detached houses together with associated car parking and landscaping (resubmission following WA/20/24/PL). This application is a Departure from the Development Plan, falls partly in both Barnham and Walberton parishes and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 17th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75821

There has already been far too much overdevelopment of Barnham, Eastergate, Westergate, Walberton, without the infrastructure to support it. The character of these villages is being spoilt, and the loss of wildlife habitat, and wildlife is devastating. I used to like watching trout in the brook, until I saw them dead, caused by sewage from new developments entering the stream. The whole area is at risk of flooding, and we had to put up with tankers taking away sewage for months thanks to the new housing.

The roads are far too congested as a result of the extra housing and building more will only increase the congestion and pollution. Barnham has turned into a small town. We must adhere to Barnham and Eastergate's and Walberton's Neighbourhood Plans.

It is an outrage that building was allowed to go ahead in Church Road Barnham. The field north of Lake Lane and Bluebell wood are the last refuges for wildlife and must not be built on. The property developers do not care about wildlife habitat, wildlife, the character of villages. All they care about is making money.

Yours sincerely Alan Vawdrey
