Here we go again another development in Lake Lane surely its just about had enough this road just cant take any more. I have lived in Lake Lane for 30 years and this road has had it all from massive lorry traffic to large estate development the road itself is creaking at the seems always being closed for repairs to drains if this goes through i feel it will be the last straw for us and we may well move on. The traffic along is enough to hold up this development i feel Barry Parker
