Thank you for your internet representation made on 14th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75619

Housing market is already saturated in this area already. Can't sell my own house (which is affordable)! No effective road improvements are ever made and flooding and drainage have been affected in Lake Lane and Barnham by all the extra housing and no infrastructure. Where are these new people going to school and doctors, too? Housing already encroached on local school land. Why don't you tackle these issues before adding to them???

Your views as made above will be considered before the application is determined.
