Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/17/25/PL
Site Address: Land to the North of Lake Lane Barnham PO22 0AJ
Description of works: Demolition of stable block and erection of 7 No dwelling houses comprising 2 No three-bedroom detached bungalows & 5 No four- bedroom two storey detached houses together with associated car parking and landscaping (resubmission following WA/20/24/PL). This application is a Departure from the Development Plan, falls partly in both Barnham and Walberton parishes and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 14th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75642

The reasons for my objection to anymore houses being built along/off of Lake lane are as follows: sink holes - 1 has been repaired 3 times in the 5 years that I have lived here and now 2 additional sink holes have appeared. Lake lane can not cope with additional traffic and the heavy goods vehicles that would be required to build any new houses. Also, the existing sewerage system is failing with emergency work carried out recently in Park Road and further planned work to be carried out. Lake lane can't cope with additional dwellings, there are areas where it is narrow with no pathway for pedestrians (especially hazardous for children walking to and from school).

Your views as made above will be considered before the application is determined.
