Dear Sir/Madam,

Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/17/25/PL
Site Address: Land to the North of Lake Lane Barnham PO22 0AJ
Description of works: Demolition of stable block and erection of 7 No dwelling houses comprising 2 No three-bedroom detached bungalows & 5 No four- bedroom two storey detached houses together with associated car parking and landscaping (resubmission following WA/20/24/PL). This application is a Departure from the Development Plan, falls partly in both Barnham and Walberton parishes and is in CIL Zone 3 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 15th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75711

Barnham has been absolutely saturated with new buildings. The sewers can't cope and water pressure is very low. There have been constant large tankers frequenting the Lake Lane area already, due to the overwhelmed sewerage system spilling out (damage to the road as a result), it cannot sustain the sheer numbers. This application is in an area that is out of the built up area too. The wildlife is abundant (great spotted woodpecker for one) Barbastelle bats are residents along with a host of other creatures. We cannot allow builders to encroach on what is left of their environment. Its not just us that live on this planet.

Your views as made above will be considered before the application is determined.
