Thank you for your internet representation made on 15th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75724

This is a terrible plan. Building here would make an already overused dangerous road more so. Pot holes from trucks based on this road are already a danger. People already have to back onto busy damaged road and there isn't a viable entrance for new houses. Let alone the ridiculous number of houses they plan to squeeze in such a small space with a single tiny bottleneck entrance. No space to make it 2 way.

So many reasons this is a terrible idea. What about the small children who live I. The current houses and all the traffic that will be passing their front door!?! Dangerous. Please make the right decision. In favour of the people and not money grabbers who don't even live in the area. My sister lives on Lake Lane. I live close and use this road. It shouldn't even be considered. Thank you for reading.

Your views as made above will be considered before the application is determined.
