Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: WA/17/25/PL
Site Address: Land to the North of Lake Lane Barnham PO22 0AJ
Description of works: Demolition of stable block and erection of 7 No dwelling houses comprising 2 No three-bedroom detached bungalows & 5 No four- bedroom two storey detached houses together with associated car parking and landscaping (resubmission following WA/20/24/PL). This application is a Departure from the Development Plan, falls partly in both Barnham and Walberton parishes and is in CIL Zone 3 and is CIL Liabe as new dwellings.

Thank you for your internet representation made on 15th April 2025 which has been recorded as an objection with the comments as follows:

OWPC75726

I object to this planning application as the sewage system is at times not able to cope with the current demand from the houses in and around Barnham. There is quite often the need for Tankers (that seem to run in a relay for what appears to be 24 hour shifts) for days on end when needed to pump away the waste when the pipework is not able to cope - which has been too often already! When these tankers are required they come with the need for a 3 way traffic light system where Lake Lane meets Barnham Lane so that becomes a congestion / traffic issue during peak times

These building works would also take away yet more natural habitat for the local wildlife which would be totally unacceptable.

Your views as made above will be considered before the application is determined.
