OWPC75729

Further to my earlier comments I would like to add that we have no footpaths to the East of my property Southview towards Yapton. we have speeding motorists constantly: Someone will end killed, There is no infrastructure. No doctors, no school. Barnham and the infrastructure can't deal with the influx of people moving here. There is a rare chalk stream on the land BEP policies apply. ES2 and ES15. The proposed rain water disposal and a reservoir near as David Attenborough stated must be protected at all cost. The damage to the wildlife we have enjoyed will be gone forever. We must save what we have left and some of the nature we have left.

Your views as made above will be considered before the application is determined.
