Dear Mr Lloyd,

Please find recommendation from Mr Brewster, Council's Arboriculturist in respect of the proposed surgery to the Oak tree. If you are happy to accept his recommendation then the application can be approved. If not, the application will have to be refused.

Please confirm.

Dear Janice,

I have inspected the above site today and can see that crown reduction would benefit the Beech tree which had previously been affected by the growth of an adjacent Monterey Pine that has now been removed. I would therefore recommend the Beech is reduced from the Oak by 2m, from the north by approximately 4m, from the east by 3m. There is no requirement for crown reduction from the south however branches are affecting the power line on this side and would need to be prune cleared to provide a 1m distance.

Yours sincerely

Ian Brewster
