Dear Sir

Re -

Planning Application WA/18/11/T – Twoways, Avisford Park Rd, Walberton
Treeworks

This Council has carefully considered the application above and does not wish to object but would note the Council Tree Warden's comments below -

"It's only a short time since they felled the entwining pine in order to improve the beech. If the work is done sympathetically, I see no problem but I would sooner see it done next winter because it will probably be in leaf by the time this goes through or have fast running sap."
