Hi Mr Denton

Yes please amend wording to allow work to be carried out.

Kind regards

Chris Matthews

Dear Mr Matthews,

I have attached comments regarding your application at Rowan House, 7 Holly Tree Grove, Walberton.

The Tree Officer has suggested amendments to the proposed works, as it stands, the application will be refused.

Would you like me to change the description of the proposed works to allow you to do the works the Tree Officer has recommended?

Please reply within a week so I can change this for you.

Yours sincerely,

Zac Denton
