Hi Mark,

Sorry for the delayed response.

Many thanks for sending that through, very helpful.

We are now scheduled to carry out the works on Feb 19th & 20th. Works to be supervised by ecologist.

Thanks

Dear Guy

Further to our telephone conversation earlier today.

Please find attached copy of your client's Arboricultural Impact Assessment and Method Statement, approved under decision notice for the above development proposal.

Approved tree work is described in Appendix B, Recommended Tree Works.

I understand you intend to carry out this approved pruning work to TPO oak tree (T2) and trimming of Leyland cypress hedging (G3) on or around 17th February 2020, in association with the project ecologist's requirements.

Regards,

Mark Warwick
