Hi Nicky,

Please see the email trail below.

You should be receiving an amended application form for WA/18/20/DOC which refers to Condition 4 (emergency access) and replaces the current reference to Condition 5 (golf ball mitigation). Laura Humphries has informed me that she has submitted the revised planning application on the portal.

Once you have downloaded the revised application from the planning portal you will need to amend the description of the development on Ocella.

Thanks,

Michael

Hi Laura,

The application form you have submitted for discharge of condition application WA/18/20/DOC - Land East of Tye Lane, Walberton refers to Condition 5 regarding golf ball mitigation, which has already been approved and discharged.

The covering letter with discharge of condition application WA/18/20/DOC refers to **Condition 4** and the emergency access, which is still outstanding.

Please could you submit an amended application form for discharge of condition application WA/18/20/DOC for the discharge of condition 4.

Kind regards,

Michael
